ADDITIONAL RESOURCES

YouTube, as usual, has range of relevant thoughtful videos – this time on treating paedophiles, including one on a US super-prison for paedophiles by Louis Theroux (https://www.youtube.com/watch?v=FUCVRIJ_BLO) and, for a later generation, Stacey Dooley has a programme exploring the lives of paedophiles in the 'Miracle Village' where around half the inhabitants are sex offenders living a life separated from the rest of society: <https://www.bbc.co.uk/programmes/p05tjbkp>.

There is more and more content available on living with gender dysphoria, as well as working with patients who have experienced gender reassignment. A few examples are below:
