Accessibility

If you have any questions or concerns about interacting with our products, please contact your university's accessibility office.

Do you want to be a Student Ambassador?

Are you interested in being a voice for the students? We are looking for university students who are passionate about digital learning, keen to support their peers and develop their professional skills.

As a digital learning advocate, you can connect with students and instructors in their institution by **sharing your first-hand experiences** and **best practices of using McGraw Hill digital products**.

By working closely with McGraw Hill staff, you can gain **real-world experience** and **professional development skills** to educate faculty and their students on the benefits of implementing and utilising digital learning tools to improve academic outcomes.
