# Connect Free Trial

Register at your instructor's  
Connect course URL for 14-day **FREE**  
**TRIAL** limited time access

# How to Register for Connect

Your Connect Course URL: [Insert URL]

The screenshot displays the McGraw Hill Connect interface. At the top, the 'connect' logo is visible on the left, and 'HELP | EXIT' is on the right. The main heading is 'Course Materials'. Below this, it states 'Your Instructor has chosen:' followed by a book cover and the title 'Garrison: Managerial Accounting 11th Edition' by Roy Garrison, ISBN 126083748, © 2018. To the right, a box titled 'What you get with Connect:' lists 'the textbook' and 'resources to help focus your study time'. The 'How to access your course materials:' section contains three panels: 1) 'Use Connect Code' with an 'Access Code' input field and a 'REDEEM' button; 2) 'Connect' with a price of '\$ 99.00 CAD', an expiration date of 'Access until 08/08/2019', and 'BUY IT' buttons for credit cards and PayPal; 3) 'Temporary Access' with an 'ACCESS NOW' button. Red callout boxes with arrows point to these sections: 'Enter Connect Access code purchased from bookstore' points to the 'Use Connect Code' panel; 'Purchase Connect directly from here' points to the 'Connect' panel; and '14-day FREE TRIAL limited time access' points to the 'Temporary Access' panel.

# How to Register DIRECTLY VIA INSTRUCTOR CONNECT URL

## Step 1

Visit your instructor's Connect course URL & sign in, or register for a new Connect account

<http://course.connect.com/courseURL>

Follow the instructions to complete your Connect registration using your new **20-digit Connect access code**

# Do you want to be a Student Ambassador?

Are you interested in being a voice for the students? We are looking for university students who are passionate about digital learning, keen to support their peers and develop their professional skills.

As a digital learning advocate, you can connect with students and instructors in their institution by **sharing your first-hand experiences** and **best practices of using McGraw Hill digital products**.

By working closely with McGraw Hill staff, you can gain **real-world experience** and **professional development skills** to educate faculty and their students on the benefits of implementing and utilising digital learning tools to improve academic outcomes.
